

Top 10 Parking Mistakes!

Disabled Violations:

- Parking on the cross hatched access aisle next to a disabled space (with or without a disabled placard)

Safety Violations:

- Parking a vehicle facing the wrong way on the street (against traffic flow)
- Sidewalk violations (parking on the paved or unpaved area between the curb and your property line).
- Parking in an alley or within 10 feet of an alley entrance/exit
- Parking within 5 feet of a driveway (even your own)
- Parking within 30 feet of an intersection

Nuisance Violations:

- Parking on the street with an expired registration
- Parking in a freight loading zone without commercial or government plates (or failure to use flashers with those plates)
- Parking on the property of another without permission
- Parking a vehicle for sale on an unpaved lot
